基督教事工部 福音專線義工 林女士

由初信開始接受女青年會的栽培及訓練,參加流通管子義工訓練、福音專線義工訓練、 五級制義工訓練及全人關懷證書訓練。以前 生命沒有喜樂,但經過訓練及生命更新後, 生命變得喜樂,顯意饒恕別人。現在經常到 女青單位服侍會員,帶領福音粤曲,心裏充 滿喜樂,很希望與更多人分享耶穌的愛。

歴史發展簡介 Brief History

歷史發展簡介

基督教女青年會運動源起於一八五五年(歐洲工業革命 時代)在倫敦創立。創辦人為金耐德夫人和羅拔女士。 前者為遠離家庭到工廠謀生或隨南丁格爾到戰場服務的青 年女子提供棲身之所,後者集合婦女禱告和研讀聖經。後 來這個祈禱會事工和宿舍工作合併成為了基督教女青年會 (Young Women's Christian Association,簡稱YWCA)。由於許 多國家跟隨英國設立了YWCA,至一八九四年成立了世界 基督教女青年會(最早會員國有英國、美國、挪威和瑞典 等四國),會址設於瑞士日內瓦。現時一百個國家或地區 都有基督教女青年會的設立。

早於一八九零年,中華基督教女青年會發軔於浙江杭州弘 道女校,始創人是美籍傳教士司徒先生的夫人,也就是後 來燕京大學創辦人及曾任美國駐華大使司徒雷登的母親。 第一個市會上海基督教女青年會在一九零八年成立,其後, 各大城市及鄉鎮都相繼成立女青年會,包括上海、廣州、 天津、成都、北京、南京、杭州、武漢、廈門和西安等十 個城市。香港則是第七個市會。而中華基督教女青年會全 國協會亦於一九二三年在杭州正式成立,現今會址設於上 海。各市會自八零年代相繼復會。

在二十世紀初,鑑於有大批中國青年女子取道香港往海外 留學,一位熱心教會婦女霍慶棠女士,常作東道在香港招 待她們。及後霍女士更與同道包括胡素貞、霍絮如、吳鑾 絃等發起本地女青年會,並於一九二零年三月十日舉行成 立慶典,成為本港第一個婦女團體。當時創立會員八十一 位、董事十二位。創立初期以回應當時殷切的婦女需要為 主,一方面於幾所女子中學開拓學生事工,培育年青女子 領袖,另一方面為低學歷的勞工婦女開設平民夜校,提供 教育機會及提升其就業技能,並為新任母親的婦女提供育 嬰知識(為日後幼兒園服務之始)。踏入四零年代,會務發 展迅速,包括自置第一間會所、開辦職業婦女宿舍、發展

Brief History

YWCA was first established in 1855 (the era of Industrial Revolution in Europe) in London, by Lady Kinnaird and Ms. Emma Robarts. The former provided Homes for young ladies who left their homes to work in factories or follow Florence Nightingale to serve in battlefields. The latter gathered women to pray and study bible (Prayer Fellowship). The Prayer Fellowship and the Homes merged later and formed the Young Women~s Christian Association (YWCA). As many countries set up YWCAs after England, the World YWCA was founded in 1894 in Geneva, Switzerland (with England, the United States, Norway and Sweden as the first four affiliated countries). Nowadays, the YWCAs are established in over a hundred countries across the globe.

In 1890, the YWCA of China first started as a YWCA student association in Hung Tao School in Hanzhou by Mrs. Stewart, the mother of Dr. Leighton Stewart, who founded Yenching University and was later American Ambassador to China. The first city YWCA - Shanghai YWCA was then set up in 1908, followed by many other cities Associations. Hong Kong came the seventh city to have her own YWCA. In 1923, the first national convention of China YWCAs~ took place in Hanzhou, whereby the National Council of YWCAs of China was formally established. Today, the National Council is located in Shanghai, and since 1980's, YWCAs have gradually reactivated in ten mainland cities, namely Shanghai, Guangzhou, Tianjin, Chengdu, Beijing, Nanjing, Hanzhou, Wuhan, Xiamen and Xian.

The Hong Kong YWCA was founded to meet social needs. During the era, many Chinese young girls went abroad to study, via Hong Kong, and Ms. Fok Hing Tong, an enthusiastic Christian, always received them with hospitality before their trip for overseas studies. Later, Ms Fok, together with Ms Wu So Ching, Ms Fok Shui Yue and Ms Ng Bik Yuen, who were our four founders, initiated to set up Hong Kong Y.W.C.A. in 1920, with 81 founding members and 12 founding Board Members.

婦女工作及宗教事工等。其後,各項服務如幼兒及青少年 服務、耆年服務、家庭及社區服務、職業訓練、賓館服務 等亦相繼開展。

端賴上帝的恩佑及各界支持,本會至今已發展至一個多元 化服務機構・共有六十個服務單位遍佈香港、九龍、新界 及離島,事工服務伸展到各階層,年齡由兩歲幼兒至高齡 長者,惠及中外人士逾五十多個國籍。

本會由一個祈禱會而啟動,以實際的行動,服侍社會上有 需要的群體,見證耶穌基督的大愛,令上帝的榮耀得以彰 顧。

Our earliest projects covered women leadership training in secondary school, evening schools for working women, and parenting skills for new mothers. Further on, we developed our own work premises, hostel and a wide variety of social services.

Today, with our heartiest thanks to the Lord's grace, the Association has bloomed to a multi-service organization, with 60 centres spreading over the territory, to serve targets ranging from infants to senior persons of over 50 nationalities.

Global YWCA Movement in Progression

Amid the YWCA Movement throughout one and a half century, it has been our great honor to join hands with national YWCAs from 100 countries to fight for human rights, health, security, dignity, freedom, justice and peace for people all over the world.

Linking up 2,500,000 women around the world, the YWCA Movement staged the International Women Summit and World YWCA Council (which held once every four years) in Brisbane, Australia in July 2003. We had a 24-member delegation consisting of directors, committee members, young woman members and staff attending this special occasion. Shoulder to shoulder, our delegates, together with over 1,000 representatives from 100 countries discussed and explored major women issues and the future direction of YWCA Movement.

The International Women Summit provided a platform for exchanging views on *12 areas of women issues. There were renowned women sharing the plight of women in different parts of the world, and also people telling their miserable life stories. Participants were led to deliberate and advocate for new initiatives. (* 1) Women Education & Training 2 Women Power & Decision Making 3 Women & Health Women & Economy

是次會議為本會訂定未來四年計劃提供了寶貴的意見,亦 啟動本會新一階段的策略性計劃,讓本會全體成員更具遠 見及聚焦地部署未來的路向。 Following the International Women Summit, representatives of the World YWCA Council, under the theme of "Leading Change Power to Act", further discussed the ways to help build a world of justice, peace, health, human dignity, freedom and environmental protection and to set future direction with the theme of "Create the Vision, Develop the Power and Lead the Change" including:

- To achieve cultural, economic, religious and social justice for all women.
- To use the collective power of the YWCA movement to develop and sustain women leadership and to promote women as decision makers:
- To enhance the effectiveness of the World YWCA as a global women's movement.

In response to this, we specifically held a Retreat for Director, Committee Members and senior management staff on 25 October, 2003 with the theme of " Create the Vision, Develop the Power and Lead the Change". It comprised a questionnaire survey on " the establishment and promotion of corporate culture" to review the corporate culture of the Association and explore ways to integrate the Association into the World YWCA Movement. Over 100 people attended the Retreat and discussed the Association's development in three areas, which were:

- Establishment and promotion of corporate culture
- Manpower training and development
- Women movement

The Retreat gave valuable insights for the formulation of the next fouryear plan and it marked the beginning of the next phase of strategic planning on our future direction.

Evaluation of Quality of Corporate Governance

Thanks to the support, in monetary and practical terms, from various sectors of the community. These had enabled us to deliver a wide array of comprehensive and effective services. As a trustee of grants or donations for different donors or funding bodies, the Board has been keen on improving the quality of internal management to meet the tightening accountability requirements. During the year, our various services (including Elderly Service, Children & Youth Service, Preschool Service, Retraining Service) achieved good performance regarding the service performance standards respectively set by Social Welfare Department, the Employees Retraining Board, Education and Manpower Bureau etc. Besides, the Butterfly Bay Integrated Social Service Centre successfully passed the assessment under Service Performance Monitoring System set by Social Welfare Department.

Internally, the newly formed Audit Committee and Audit Department also completed the audit and assessment of services and departments including pre-school services, Children & Youth Services, Retraining Service, Guesthouses and the finance and accounting procedures.

Besides the service requirements from various sectors of the community, the Association has proactively fulfilled its VMV (Vision, Mission & Values) through the services provided and paid heavy concern on community needs. Against the soaring family problems, extra resources have gone to setting up more professional counseling teams and developing recreational and sports programmes incorporating social work and counseling element for the holistic health of service users. All departments also strive to develop their services, respective to their VMVs, while promoting inter-departmental cooperation as an integrated whole.

自本會於二零零零年起跟進九九年底啟動改革 工程以來,我們重申以「生命的栽培」為宗旨, 將基督教女青年會運動與社會服務結合,進一 步鞏固本會為基督化、國際化及以婦女為本的 多元化社會服務機構,透過整合資源、重組服 務、溝通融和,開拓更自由廣闊的服務空間, 並深化對人的服侍。在身心靈的層面提供的多 元化服務,豐富及更新受眾的生命,促進他們 自力更生,從接受者變為施予者,能夠與人分 享、為建設香港社會作出貢獻。

Chief Executive's Report

In reviewing the past year, we are most thankful to our Lord for His guidance and to various parties of the community for their staunch support. Our deep appreciation also goes to our volunteers and staff for their whole-hearted contribution to the services making this a very special glamorous and fruitful year.

Since the commencement of management reform in 2000 which was a follow-up of the management review in 1999, the Association has reaffirmed " life enhancement " as our goal. The integration of YWCA movement and social services has further consolidated the Association as an international Christian organization providing multifarious women-centred services. With a series of re-engineering exercise on resources and services, and enhanced communication, the Association grasped more opportunities to enrich and renew lives of our service recipients, facilitating them to change their role from recipients to givers, in making valuable contribution to the society.

Child Care Service

In compliance with the government's policy on integration of nursery and kindergarten services starting from September 2005, the YWCA is actively taking steps, in terms of governing team, teachers' training, performance indicators, fees arrangement, services and facilities, etc. to meet the challenge and to continue delivering quality pre-school education.

With a history of nearly eighty-five years, we sincerely hope to strive for excellence and perfection, so as to bring warmth and blessings to those needy families in the days ahead. Taking this opportunity I must extend my deepest gratitude to all of YWCA staff teams for their invaluable service.

康體事工部 退休人士義工-長者機場大使計劃 義工高小姐及周小姐

從前對身邊的人群總沒多留意,間中察覺到有些人似有疑難想找協助,都不會主動去幫忙,既怕被拒絕時沒趣,更怕被誤會心懷不軌。現在會毫不考慮開口:「請問是否需要幫忙?」這種心態的改變,使自己跳出無形的框框,就是參加了「機場大使計劃」最大的得益,不經不覺的潛移默化,學會主動性,只要有熱誠助人的心,就算碰到沒禮貌的拒絕都不會介懷。
